

RUGBY

PERFECT FOR PITCHES WITH HIGH USAGE RATES THAT REQUIRE HIGH PERFORMANCE PLAY

GREENFIELDS SLIDE MAX

Key benefits:

- ✔ Ultra durable due to the high intensity diamond fibres
- ✔ Duotone fibres provide a natural look
- ✔ High resilience due to high density, fibres and elasticity
- ✔ High comfort and safety due to the diamond shaped yarns

GreenFields Slide Max fibres are designed in a ribbed diamond shape to provide an advanced, ultra-durable turf with exceptional playing characteristics. This product is extremely resilient providing an extended life for pitches that experience high playing levels. The turf fibres offer exceptional split resistance for advanced performance with a natural visual appeal.

GreenFields Slide Max Pro fields give great resilience and field coverage for all player levels. The thicker fibres in Slide Max Elite fields provide even more coverage and durability.

GreenFields Slide Max is ideal for amateur and semi-professional clubs who require a professional, high quality playing surface. Consistently outperforming on the Lisport test machine, GreenFields Slide Max sets the market standard in durability.

“

GreenFields were focused on quality and high attention to detail throughout the installation.
