OUR BEST SELLER WITH PROVEN TRACK RECORD FOR YEARS

GREENFIELDS SLIDE MAX PRO

Key benefits:

- Ultra durable due to the high intensity diamond fibres
- Duotone fibres provide a natural look
- High resilience due to high density, fibres and elasticity
- High comfort and safety due to the diamond shaped yarns

GreenFields Slide Max Pro fibres are designed in a ribbed diamond shape to provide an advanced, ultra-durable turf with exceptional playing characteristics. This product is extremely resilient providing an extended life for pitches that experience high playing levels. The turf fibres offer exceptional split resistance for advanced performance with a natural visual appeal.

GreenFields Slide Max Pro fields give great resilience and field coverage for all player levels.

GreenFields Slide Max Pro is ideal for amateur and semi-professional clubs who require a professional, high quality playing surface. Consistently outperforming on the Lisport test machine for both the FIFA Quality and FIFA Quality Pro standards, GreenFields Slide Max Pro sets the market standard in durability.

“

GreenFields was focused on quality and high attention to detail throughout the installation.
